Tobias is a working sheep dog whose owner is a CDH neighbour.... another surrender from a neighbour. He is a lovely boy and was adopted quite quickly.

Although the story is really sad, there has been a lovely outcome.

A family who adopted a beautiful sheep dog from us.... Crystal.... had such an unfortunate experience. They were out for a walk and Crystal collapsed at some point. She was immediately rushed to the Vet who identified a snake bite to the neck. Unfortunately, there was nothing they could do for her and this sweet girl passed away.

Later, we established through our records that Tobias was in fact the son of Crystal!!

On this basis, the family who are also based in Cacela, was thrilled to offer Tobias a home!
