## DOGGY STORY: LEVI

**BORN:**  
2022

**RESCUED:**  
Nov 24

**ADOPTED:**  
Jan 25

**ADOPTION No:**  
304

Levi is a Chihuahau found on the streets in Spain - he was really thin and CDH had to concentrate on his nourishment levels, but he soon picked up weight and started bounding around. He's a friendly little guy who just loves to be around people. Levi is fully vaccinated, chipped and sterilised. He'll be living quite close to Tavira with another Chihuahau and a Boxer, as buddies!
