DOGGY STORY : LUCKY

Born: 6/2023

Rescued: 9/2023

Adopted: 12/2023

No: 271

Lucky was found near Almançil with her mother and six other puppies..... nothing is known about their previous history and we suspect that they'd been feral for quite a while. When they were rescued, Lucky was around four months old..... she is friendly and loves people!
