Bolita is a working sheep dog whose owner is a CDH neighbour.... she was pregnant, unwell and really struggling, still having to work until the last moment. Once the puppies were born, Sharron took on the mother and all 7 puppies, convincing the owner that being fed by their mother was preferable to bottle feeding.... finally, terms were agreed. Although the owner refused to sterilise Bolita. Once Bolita was returned to the neighbour, it wasn't long before he decided to surrender her to CDH... this lovely girl will have some peace now. The puppies are GORGEOUS and having been vaccinated and fully checked, they are ready for their furever home!!! Oliver has been adopted!! He has gone off to live with Yola and Marco... be happy baby boy!
