## DOGGY STORY: BENJI

**BORN:**  
May 22

**RESCUED:**  
May 26

**ADOPTED:**  
May 26

**ADOPTION No:**  
330

**BENJI** ..... this lovely boy was found wandering around and after checking to ensure that he hadn't been lost, CDH was so fortunate to find a home for him so quickly. He's in excellent health and is fully vaccinated, sterilised and already chipped to his new owners. He's going to be living in Quarteira where he's start the new chapter of his life.
