ADOPTION No:

Dylan was rescued in Cabanas in March 2023, but we were only able to offer him for adoption in October. Because Dylan was chipped, we had to wait for him to be signed over to CDH because his owner could not be found. He was apparently dropped off by people driving a horse and cart... and just left. Dylan loves walking and does really well on the lead.... he's a healthy, energetic boy and really likes people.

All Dylan's Vet checks have been done and he'll be sterilised before he goes to his "forever" home.
